RE: Complaint against Judge Randy Kennedy  
File No. 10-4376

Dear Ms. Franklin:

An Investigative Panel of the Court of the Judiciary has directed me to inform you that its inquiry into your complaint against the above-named judge has been completed. Appropriate action has been taken as a result of the investigation. However, due to the Tennessee statutes and rules of this Court, I am not permitted to describe to you the specific type or nature of the appropriate action taken. The important point is for you to know that your complaint was investigated, and the Court's action was based upon your complaint.

Your cooperation with Disciplinary Counsel during the investigation and your interest in maintaining the integrity of the Tennessee judiciary by bringing this matter to our attention are greatly appreciated.

Sincerely yours,

Patrick J. McHale
